To: 306th Echoes

Having returned to England this past July to help celebrate Peg + Joe Albertson's 40th wedding anniversary, I feel we need to commend the Albertson's along with John + Di Mills, Cyril + Mary Norman and Bonnie + Gordon Richards and any others who is keeping the 306th alive.

We were well received and had a wonderful time, took in a lot of sights along with a few Pubs. Anyone touring England should visit the American Cemetery at Cambridge, it is one of the sights you will never forget.

We thank each and everyone of you for making our trip one we will never forget.

Sincerely yours,
Larry + Jan Foster
