Dear Sir:

I am trying to locate current information on RUSSEL G. KAHL, a WWII veteran who had most recently resided at 210 Ausborn Kn., Aberdeen. Mail has been returned as undeliverable.

He was a pilot with this Group in the early stages of WWII, until he became a prisoner of war of the Germans on 13 January 1943.

He may well be deceased by this time, and I would be most appreciative if you could come up with an answer for me, or could pass this letter on to someone who might be able to give me some information.

I have enclosed a stamped, addressed envelope for the convenience of the person who responds to my inquiry.

Let me further express my thanks and appreciation to anyone who becomes involved in my quest.

Sincerely yours,
