Gentlemen:

During World War II I was a member of the Eighth Air Force.

During a visit to the Cathedral of the Pines in Rindge, New Hampshire I had an opportunity to speak with Ralph E Lavoie a member of the V.F.W. During our conversation the Eighth Air Force was mentioned and I inquired as to where I could get some information regarding the Eighth Air Force and he gave me this address.

Any information that you can send me regarding anything that may be in print about the Eighth Air Force or where material can be purchased, I will appreciate it very much.

Thanking you in advance I remain

Sincerely Yours,

*Werner H. Kennedy*
