

Dear Mr Long,

I am sorry to write and tell you my husband passed away Monday the 14th. He was a good man and I just don't know how I am going to go on without him. He would have been 90 in Nov. He was stationed at Thurleigh Bed. and I met him in Edinburgh Scotland we were married 1945.

We always wished we could have went back to Bedford with you all but we never could save up enough, we both enjoyed all the material you sent us and thank you.

Sincerely,

Mrs. Robert E. Kirk
