SUGGESTION BOX:

SUGGESTION: Sirs: "Last night's 40th non-combat Air Party has caused resentment and indignation among the junior officers who must make restitution for the holocaust of wreckage caused to our club by the 'exemplary' conduct of our Superior Officers. These Officers destroyed our coat-hangers and wantonly tore down the coat racks besides breaking a good deal of glass ware.  
We do not appreciate this gesture, and as their hosts no fool that they have abused the privilege of using our B mess and club for their drunken parties."

SUGGESTION BOX (continued);

No Suggest that they use their own mess and club unless they can conduct themselves as Officers and gentlemen should.\*

NOTE: 40th Combat Wing is now using its own mess in France.
