Dear Mr. Strong:

I see in the 8th AF News where the 306th Bomb Group will be holding a reunion in Savannah December 4 - 7, 2003.

I am a member of the 34th Bomb Group Association and was unable to attend our reunion held this month in San Antonio.

Would you guys allow me to tag along at your upcoming reunion? My main reason would be to visit the museum.

My crew was a replacement crew near the end of the war and I flew 22missions as tailgunner on 'The Flying Pinnocchio' which was an already named ship when it was assigned to us.

If it's OK, please send hotel and registration information to me at my North Carolina address shown above.

Thank you.

Sincerely,

Bill

William F. Cheek
