Robert N. Houser, Treasurer 306th Bomb Group Association Des Moines, IA 50310

Mr. Houser,

Enclosed is a donation in the memory of my husband, Stanley M. Mathes, who passed away on June 13, 1996.

He was very proud to have been a part of the 306th. Though we only attended one reunion in Fort Worth a number of years ago, he was excited each time he would receive the Echoes even after his dimentia progressed.

Please advise whatever committee necessary about his demise.

Thank You!
