SUGGESTION BOX:

SUGGESTION: "Why is it that EM's with essential jobs are detailed to clean
up the Red Cross Aero Club, when it is a charitable and well financed organiza-
tion?"

ANSWER: Men with essential jobs are not detailed to clean up the Red Cross.
The only reason anyone is detailed at all is because the Red Cross is unable
to obtain civilian help. The Red Cross is subject to the same sanitation
rules as military functions on the Station and must have help if they are
to stay open. As a result of this suggestion only volunteers will be used
at the Red Cross and they will be paid.
